Commercial Buildings (Office Accommodation) up to \$4 Million
Builder Rhind Constructions Pty Ltd
Entry Neils Street
Contact 0427 584 970

Constructed off Torquay Road, Rhind Constructions have kicked a goal with this two-story structure. Situated in Neils Street, this complex fuses retail and office accommodation. This was a project that faced many obstacles, due to location and traffic issues. Rhind Constructions must be commended for their remarkable achievement in completing this project to such a high standard.

Situated at the Hervey Bay Airport Industrial complex are these wholesale and storage outlets, constructed by Rhind Constructions. Built in record time and to exact specifications set by the client, these three units with office space, mezzanine and warehousing will no doubt be snapped up immediately. Congratulations Rhind Constructions on a job well done.

Industrial Buildings \$4 Million - \$15 Million
Builder PBS Building (QLD) Pty Ltd
Entry Bradnam's Factory
Contact 4112 3990

This massive new home for Bradnams Windows and Doors is a signature PBS Building project. Utilising tilt-up technology, the structure consists of office accommodation above with amenities and a retail showroom on the ground floor. The warehouse is nothing short of amazing in size and is a testament to the tenacity of this commercial builder to get it right the first time. A structure they and their clients are equally proud of.
